### Mechanical Waves

### Worksheet Answers

## Chapter 17 Mechanical Waves and Sound

### Summary 17.1

### Mechanical Waves A

mechanical wave is created when a source of energy causes a vibration to travel through a medium.

- A mechanical wave is a disturbance in matter

Download File

PDF 171

that carries energy from one place to another. • The material through which a wave travels is called a medium.

Chapter 17 Mechanical Waves and Sound

Mechanical waves are classified by the way they move through a ...

Answer to . . . Figure 2

The movement of the ribbon is up and down,
