ATSEP TRAINING MANUAL final draft - TAESA

1.1.1 This manual provides guidance to air navigation service providers (ANSPs) and training organizations on the development of air traffic safety electronics personnel (ATSEP) competency-based training and assessment programmes.

Doc.10057.alltext.12.May.en - International Civil Aviation ...

In 2004, ICAO released the first version of the ATSEP Training manual Doc 7912. In 2006, the common system training guidelines for a Common System/Equipment Rating Training for Air Traffic Safety Electronics Personnel, as well the Guidelines for the Competence Assessment of Air Traffic Safety Electronics Personnel were published by Eurocontrol.

Training - ATSEP

The principal duties of the ATSEP are (as defined in ICAO Training manual doc 7192 E2): Performing maintenance on CNS/ATM system/equipment which include: Calibrating flight and ground radio navigation aids. Certification of CNS/ATM system/equipment. Modification of operational CNS/ATM equipment. Corrective maintenance. Preventive maintenance.

Profession - ATSEP

The missing of a license was depicted in the nineties by using a safety chain. Both ATSEP license and certification of ground CNS/ATM is missing in the safety chain. However, as a per-requisite for requesting a license under ICAO Annex 1, was the development of an ATSEP Training manual, which was completed in 2004.
