## *CIMA - Practical experience requirements*

Basic experience - This experience should be 'hands-on' and examples are preparing and maintaining accounting records, IT desktop skills and statutory and regulatory reporting. Core experience - In this area, you don't have to have direct responsibility but have a contributing role. Examples include planning, budgeting and forecasting, product and service costing, information management, project appraisal and working capital control.

## *MEMBERSHIP - CIMA*

Hi Matt, I started my CIMA exams many moons ago and for various reasons I never completed the case study and practical experience section. I now have 15 years relevant experience and for the past 3.5 years have sat on the Board of a company listed in the UK where I act as the Finance Director reporting directly to the CEO and non exec Supervisory Board.
