~~Hang Gliding Training Manual by Pagen, Dennis—Amazon.ae~~

Dennis Pagen has long been a hang-gliding guru, but times move on. This is an updated version of an earlier work, but its age still shows through. The BHPA pilots manual is a more current work, and if it's the only traning manual you're going to buy, you should buy that, but Pagen's book complements it quite well offering the occasional useful bit of detail that the BHPA book misses. Read more ...

Dennis Pagen has been writing about sport aviation—hang gliding, paragliding, ultralights and weather that affects them—since 1975. He has written twelve books and over 400 articles in trade magazines, all related to flying for fun. There doesn't seem to be an end to this activity, for as sports continue to evolve, new techniques and experiences demand definition. The author was raised in ...
