The S2R 800 cc is the smallest Monster in the SR family, developed just three years ago to explore a previously uncharted segment: that of the naked machine with a race personality. Although it was unveiled just a year ago, this model soon hit the headlines with record sales, making waves in the biking community thanks to its exceptional mix of iconic styling, sheer performance, and accessible pricing.

a good service history is always right at the top of the wish list. The finish is surprisingly good on the S2R, certainly better than the early M900 Monsters, and so any signs of paint flaking off the engine hints at a bike that hasn't been that well cared for. The S2R comes with the APTC clutch, which gives a lovely light clutch action with a slipper function, so leaking slave cylinders are rare ...
