Home | RHTranscriptions

He became known for a piano technique known as "The Shearing Sound", a type of double melody block chord, with an additional fifth part that doubles the melody an octave lower. With the piano playing these five voices, Shearing would double the top voice with the vibraphone and the bottom voice with the guitar to create his signature sound.(This piano technique is also known as "locked hands" and the jazz organist Milt Buckner is generally credited with inventing it.
