Germaine Greer The Whole Woman

In her latest book, *The Whole Woman*, Greer carefully and wittily lays out excruciating truths. Women still earn 60% of a man's salary and shoulder most of the household tasks including child rearing. When fathers abscond it's the single impoverished mothers who bear the blame for rearing the maladapted children that contribute to the ills of society.

The Whole Woman is the "sequel" to the *The Female Eunuch*, written over thirty years ago. In it, Germaine Greer comments on the state of today's feminism and rallies third wave feminists to the cause of Women's Liberation. Greer believes there is a major distinction to be made between liberation and equality.

Thirty years later, Germaine Greer is ready to get angry again. In *The Whole Woman*, she analyzes, among other issues, the invasive ways in which the health industry persuades women to have their bodies and reproductive systems "managed." Greer lays out the facts about the high failure rate and devastating side effects of in vitro fertilization and the incongruence between the "success" of breast implants in achieving the "perfect" mammary to please men and the continuing failures in ...

Three decades ago, the English writer Germaine Greer erupted into the world with *The Female Eunuch*, a cleverly titled book whose core argument, as she recently summarized it, was that "every girl child is conceived as a whole woman but from the time of her birth to her death she is progressively disabled." As summary, that is accurate enough, but it fails to capture the qualities in the book that provoked such a remarkable mixture of admiration and outrage when it was published.

In *The Whole Woman* it is the ever-present enemy, capitalist, consumerist, warmongering, oppressive. Greer's heart is with the "women who donned the chador and howled the Americans out of Iran", for what can Anglo-Saxondom do for women – except (belatedly) educate them, allow them to testify in court, and give them the vote?
