The Journal of Law, Social Justice and Global Development is an interdisciplinary academic peer-review research journal. It currently publishes one special issue and one regular issue per year. It is Open Access and distributed internationally in both electronic and hard copy form. It represents a growing community of scholars and development practitioners who contribute critically to political and policy debates on global sustainable development.

### LGD Journal

The United Nations Sustainable Development Goals. The UN Sustainable Development Goals are a call for action by all countries – poor, rich and middle-income to promote prosperity while protecting the planet. They recognize that ending poverty must go hand-in-hand with strategies that build economic growth and address a range of social needs and job opportunities, while tackling climate ...

### United Nations Sustainable Development Goals - ISB Global

The Agenda 2030 for Sustainable Development. The 2030 Agenda for Sustainable Development was launched by a UN Summit in New York on 25-27 September 2015 and is aimed at ending poverty in all its forms. The UN 2030 Agenda envisages “ a world of universal respect for human rights and human dignity, the rule of law, justice, equality and non-discrimination ” .

### UN Agenda 2030

By setting targets for justice and governance, the Agenda went beyond the more limited focus of the Millennium Development Goals (MDGs, a set of targets agreed in 2000 that provided the world with its first ever set of global development priorities. Goal 16 is one of 17 Sustainable Development Goals set by the 2030 Agenda.
