How government works - GOV.UK

Government and politics. The dominion of India was reborn on January 26, 1950, as a sovereign democratic republic and a union of states. With universal adult franchise, India's electorate was the world's largest, but the traditional feudal roots of most of its illiterate populace were deep, just as their religious caste beliefs were to remain far more powerful than more recent exotic ideas ...

India - Government and politics | Britannica

Japan has a long and storied history, but its government and political system, at least as we know it today, are relatively new. Unlike the American government and British political system, which essentially have existed in their current form for centuries, the present Japanese political system is a much more recent creation, one dating back to Japan's defeat in World War II and its ...

The Government and Political System in Japan

The politics of the Philippines take place in an organized framework of a presidential, representative, and democratic republic whereby the president is both the head of state and the head of government within a pluriform multi-party system.This system revolves around three separate and sovereign yet interdependent branches: the legislative branch, the executive branch, and the judicial branch.

Politics of the Philippines - Wikipedia

While the Constitution sets up the system of government, the actual way in which the offices of Congress and the Presidency are filled are based upon the American political system. Many countries have numerous political parties-groups of people who join together to try and win political office and thereby control the government-but the US exists under a two-party system.
