I'm looking for a manual for a 4 HP
2-stroke Mercury outboard from
1981. It's Belgian made, two
cylinder, serial # 9321742,
although Mercury advised that I'd
need to put a zero before the serial
number (so, 09321742). I believe
it's model 4200 (or 1004200).
Thanks, Steve #46.
