For many of us, the term " workplace wellness " sounds more like an oxymoron than a buzzword synonymous with today ' s organizational culture. For over a decade I ' ve been on a journey towards finding that " work/life balance, " so it ' s encouraging to know that corporations are beginning to take the mental health of their employees more seriously.

Workplace Wellness — Not an Oxymoron Anymore? - Anxiety Canada

Sustainable development is an oxymoron WOLFGANG Sachs, born in 1946 in Munich, studied theology, sociology and history and taught at the University of Berlin for several years. At the end of the 1970s, he set up a research group called Energy and Society at the Technical University of Berlin, which later developed a sound energy policy for Germany.
