Often thought to be a straight take off from the GT250 X7 the X5 is actually a complete design in its own right. Despite sharing much of their styling and design, little is interchangeable between the two. The two machines certainly do have common ground once they share showroom space, appealing as they do to very similar sectors of the biking community albeit with different desires.

Suzuki GT200 X5 When Yamaha launched the RD200, with its electric start for the ultimate in commuter convenience, they did so by making the charging system out of a dynamo that, once charge a reversed charge was placed into, turned it into a simple electric and powerful motor, creating the start function. When Suzuki took on the same task, they
