The Final Diagnosis describes the functioning of a hospital without sugarcoating it for palatability or messing it up for shock factor. It is a word of caution to healthcare professionals young and old to never overlook the little things.

The Final Diagnosis by Arthur Hailey - Goodreads

Hailey was no rookie, he was a successful screen writer and with a big TV hit under his belt he released The Final Diagnosis detailing a few days following life and death in a medium sized hospital in a small city. Few readers will find any surprises in the plot which served as a template for the boom of doctor shows on TV a few years later.
