File Type PDF The Growth Delusion The Wealth And Well Being Of Nations

In *The Growth Delusion*, author and prize-winning journalist David Pilling explores how economists and their cult of growth have hijacked our policy-making and infiltrated our thinking about what makes societies work. Our policies are geared relentlessly towards increasing our standard measure of growth, Gross Domestic Product.

about the costs. Title Growth Delusion. See details - Growth Delusion: The Wealth and Well-Being of Nations by David Pilling (English)

Growth Delusion The Wealth and Well-being of Nations by ...

Praise For The Growth Delusion: Wealth, Poverty, and the Well-Being of Nations... "Masterful. . . Rarely does a study of gross domestic product (GDP) and growth sizzle with such wit and acuity, but Financial Times editor David Pilling manages the feat."

The Growth Delusion: Wealth, Poverty, and the Well-Being ...

The book is not a tirade against economic growth; it is not an anti-growth or a de-growth manifesto. Pilling makes his intention to broaden the conversation on growth very clear by including the words "wealth" and "well-being" in the title, concepts that go beyond the narrow definition of economic growth as an expansion in the flow of goods and services measured in monetary terms.

Rethinking Economic Growth: A Review of "The Growth ...

Engaging and enlightening, The Growth Delusion explains not only why the emperor has no clothes, but why he wasn't really the emperor in the first place (David Mitchell, author of 'Cloud Atlas') If you thought that GDP did not necessarily translate into increased welfare, David Pilling shows you convincingly why you were right.
