shareholder value. Part I, "Debunking the Shareholder Value Myth," traces the intellectual origins of shareholder-primacy thinking. It shows how the ideology of shareholder value maximization lacks any solid foundation in corporate law, corporate economics, or the empirical evidence.

## The Shareholder Value Myth

A fair portion of The Shareholder Value Myth is focused on analyzing the impact of several popular measures promoted by shareholder advocates, the SEC, and Congress over the past two decades: "de-staggering" boards, so that all directors may be removed at once; giving shareholders the right to circulate proxies to all other shareholders on issues of interest; and equity-based compensation.
