Through the Eyes is the first major label studio album by the American rock band Flaw. The album was released on October 30, 2001 on Universal, Uptown and Republic Records. Described as nu metal, *Through the Eyes* has melodic vocals, aggressive guitar riffs, screaming, melodic instrumentation and lyrics drawn from the life of vocalist Chris Volz. Flaw began in 1996, when the vocalist Volz answered an advertisement placed by band guitarist Jason Daunt for another guitarist. The band then recorded

... "Through the Eyes of" is one of our three categories. We have joined together the experience and knowledge of professionals across the world (which they provided specifically for this curriculum) with a simple teaching approach and experiential-based style into a unit study that your family could use from home. This allows your family the opportunity to see through the eyes of a professional and learn, as if right beside them.
